

Our team of experts provide solid and innovative insurance solutions to Civil, Electrical, Mechanical and Specialized Trade Contractors in order to minimize their risks today and maximize their profits tomorrow.

THE BEST OF BOTH WORLDS

When a contractor chooses Travelers they have the security of knowing that we are financially solid and able to respond to claims. It is the best of both worlds - the policyholder receives personalized service from the Canadian based operation of Travelers, a Fortune 100 company with consistently high marks from the insurance industry's major rating services.

WHEREVER YOUR BUSINESS TAKES YOU – WE ARE THERE

Our insurance solutions and services span the globe. When your business takes you:

- To foreign shores, you may take comfort in knowing that Travelers and our partner companies have provided coverage to our clients in more than 60 countries
- To the United States, we are already there

WE BUILD LONG TERM PARTNERSHIPS

Working with our clients, Travelers Construction team is aware of the unique needs of the construction industry.

Our commitment to risk control service minimizes our client's risks.

Our commitment to claims service includes assisting the broker in claims handling worldwide, through our own offices as well as with our insuring partners and adjusting partners.

Through this knowledge and service, we have maintained long-term relationships with our clients and Brokers.
